B-Hot is a versatile Grab-and-Go hot meal merchandiser that can be placed anywhere in your store. This elegant upright, single-phase unit not only provides a great look and feel for your store, it will entice your customers to buy quick, hot, ready meals on the fly as well.

The Plug-and-Play units are optimally designed to maximise an area with space restrictions. Utilising custom-designed 90CRI 4000k LED lighting, products are illuminated with the latest LED lighting technology.
